Our Mission:

This is a growing ministry for married couples of all ages. It has a two-fold purpose:

1. To assist couples in building a strong foundation for marriage with Christ.
2. To enhance the Christian fellowship between married couples of the church.

We seek to glorify God through our commitment to building marriages centered on Christ through honoring our partners, mentoring and witnessing to other couples, and using biblical principles as a marriage guide.

C4C includes married **and** engaged couples who are striving to maintain Christ-centered relationships and are willing to apply the Word to navigate through relationship challenges.
